

Hidayah Academy Annual Financial Report

Tax Year 2023

Overview

It is by the grace of Allah swt and the endless support from our generous community members, that Hidayah Academy was able to graduate our second senior class in June 2023!

As our sixth year in operation began, more students joined our full-time program. Today, we have 73 full-time students in grades 6 to 12. We've also participated in community events to raise money for Gaza, partnered with Adams for taraweeh and Eid prayers and hosted family lecture series. Our Robotics team also made it to the states, placing 2nd out of 48 teams.

With every expansion to our programs, there are increased expenses. Alhamdulillah, we've expanded our curriculum and added new courses to our program such Business Fundamentals, Budgeting, Islamic History and Calligraphy. This report shares our summarized income and expenses for the year 2023. We hope to continue to serve the community in the best way we can.
