

Hidayah Academy Annual Financial Report

2025

Overview

This report presents a summary of our income and expenses for the 2025 fiscal year.

As we began our eighth year of operation, we were pleased to welcome new families into our full-time program. We currently serve 90 full-time students in grades 6 through 12.

This year marked several significant milestones. We proudly received accreditation from Cognia, further affirming our commitment to academic excellence and continuous improvement. We expanded student engagement opportunities by introducing new clubs, including Chess Club, Book Club, Hidayah Compassion Initiative, and the National Honor Society (NHS). We also launched a new math club while continuing our Robotics and Model UN programs, with students actively participating in various competitions.

In addition, we maintained our focus on professional development for faculty and continued hosting signature events such as Honor Roll, Arabic Day, English Talent Day, and our Art and Science Exhibits.

We are grateful for your continued support and partnership. We look forward to another year of growth as we continue serving our community with dedication and excellence.
