

Hidayah Academy Annual Financial Report

Tax Year 2024

Overview

This report shares our summarized income and expenses for the year 2024.

As our seventh year in operation began, more students joined our full-time program. Today, we have 90 full-time students in grades 6 to 12.

This year we participated in community events to raise money for charity, began the accreditation process, added to our staff, offered mandatory teacher professional development sessions, hosted a college admissions webinar for families, started a Model UN club and grown our Robotics to two teams.

Alhamdulillah, we've also expanded our curriculum with new courses such as Islamic Manners, Intro to Podcasting, Digital Design and Journalism.

Thank you for your continued support, we look forward to continuing to serving our community
